Build

ORDINARY FAITH

FOR OVER 15 YEARS ORDINARY FAITH HAS FOCUSED ON BUILDING PEOPLE.

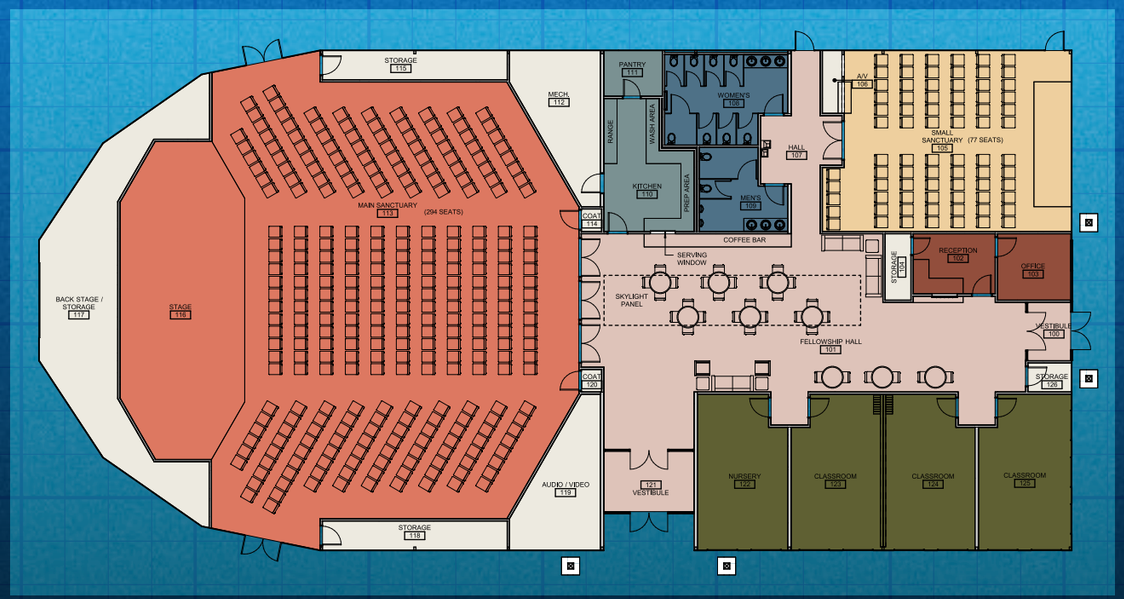
Everyday people.
Ordinary people.
People like you and me.

Ordinary Faith enables and equips people to come to terms with an extraordinary truth about God:

God dearly loves and greatly enjoys you.

In January of 2023 God called Ordinary Faith to build something new:

A MINISTRY CENTER IN THE HEART OF SWEETWATER COUNTY.



OUR MISSION:

We will embody love because we are loved by God

- By loving people as they are, wherever they are.
- By creating space for people to belong and time for them to believe.
- By sharing the Good News: That God loves people completely and constantly, and that our effort is not the basis for salvation.

OUR VISION:

We are building a Ministry Center in Rock Springs

- To house the daily ministries of Ordinary Faith.
- To facilitate worship and train ministry teams.
- To develop new generations of faith-filled leaders.

The campus will also serve our community as a center for regional training events, and as a place to host family celebrations and other neighborhood functions.

ORDINARY FAITH MINISTRY CENTER

OUR FACILITY:

What do Tesla, The Chosen, NASA, Steamboat Ski Resort, Lockheed Martin, Google, SpaceX, Saddleback Church, Apple, Blue Origin, and the Harvard Business School have in common with Ordinary Faith's Ministry Center?

When it came time to build, they all chose Sprung.

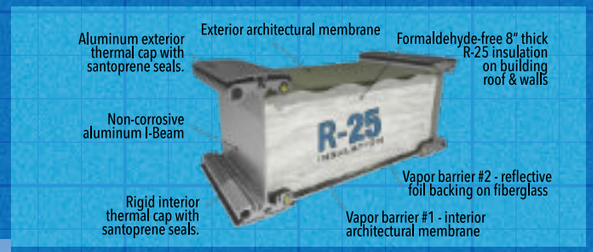
WHAT IS SPRUNG?

And what's a Modular Tension Fabric Building?

Sprung has provided answers for organizations around the world that need faster, more flexible, cost-effective building solutions. And they've done it for 130 years.

MINISTRY MINDED:

Lower build costs. High design flexibility. Engineered to weather Arctic Circle glaciers, Middle East deserts, and Atlantic Basin hurricanes.



Why other churches across the country have chosen Sprung:

- *"Sprung exceeded our expectations and allowed us to invest in ministry, not mortgages. This facility is state of the art, half the cost of traditional construction, and three times faster to build."* –New Life Christian Center, Turlock, CA

- *"Unlike metal buildings the acoustics are great without having to invest in a great deal of extra insulation and sound deadening panels."* –Alliance Church, Fayetteville, NC

- *"The Sprung building has been such a blessing. Our utility costs have reduced by over 50% which significantly helps our budget."* –Bethel Worship Center, Cartersville, GA

- *"The amount of space we received for the price could not be matched anywhere. The open feeling and the incredible acoustics make it all the better, and the unique look attracts students like a magnet."* –Long Hollow Baptist Church, Hendersonville, TN

- *"We put great value on flexibility in our facilities and Sprung Structures are easily reconfigured to meet our changing needs."* –Saddleback Church, Lake Forest, CA

- *"In the Sprung building we saw a dramatic decrease in utility expenses while at the same time utilizing it even more."* –Christ's Community Church, Denham Springs, LA

- *"If you are looking for a smart solution to a space need that will optimize your dollars and maximize your ministry, I do not think that you will find a better option than a Sprung Structure."* –Highpoint Church, Lake Wales, FL

OUR PATHWAY:

Prayer is the pathway to Build Ordinary Faith

This journey begins with a conversation with God.
Pray and ask God: What does He want to do in your life and finances?

We continue by listening to what God is saying.
What is He asking you to give? What is He asking you to do?

We follow by acting on what God tells us to do.
Your initial Faith Step can be both intimidating and exciting!

We anticipate by watching the things God does.
Prepare to see the many ways God blesses you and others on this journey.

We celebrate by telling others what God has done!
Sharing our stories encourages others to participate in generosity.

OUR INITIATIVE:

We will also rally support from people in our church and community who will enable this mission by

- Uniting in worship to trust God for his provision.
- Volunteering to facilitate weekly Worship Services.
- Giving to the Launch Offering, making Ongoing Contributions, and donating stocks, securities or property to fund the project.

MY FAITH STEP:

> *"Brothers and sisters, let me tell you what God's grace has done in the churches in Macedonia. They have suffered a great deal, and they're very poor. But their great joy caused them to be very generous in their giving. I can tell you they gave as much as they were able—and even more than they could afford. Completely on their own, they begged us to let them share in this service for God's people. And they gave in a way we did not expect: They gave themselves to the Lord and to us before they gave money. This is what God wants.*
>
> *–1 Corinthians 8:1-5*

The Build Ordinary Faith campaign goal is $3 million.

- This is the estimated cost to complete the 12,000ft² Ministry Center.
- The **Launch Offering** is a sacrificial, one-time gift to help Ordinary Faith begin the construction process.
- **Ongoing Contributions** allow us to make decisions based on what financial resources will be available.
